

## **DRIVEN Investment expands its team: Katja Bartel takes over project management as Technical Manager**

**Berlin, 16 March 2021:** The team of the Berlin-based real estate company DRIVEN Investment, which is active throughout Germany, continues to grow. Graduate engineer Katja Bartel will strengthen the management team from 1 April and take over project control as Technical Director.

Born in 1978, Katja Bartel brings with her a wealth of diverse experience in project development, project management and technical asset management. Most recently, she headed the Technical and Development department at TLG Immobilien AG, a company specialising in commercial real estate, for four years.

Katja Bartel has also worked as a technical asset manager for Capital Hill LLC and as a senior facility manager for Jones Lang Lassalle. In addition, as a freelance entrepreneur, the graduate architect supervised project management for various international investors, including acquisitions and sales.

Togrul Gönden, Co-Managing Director of DRIVEN Investment: "We are very pleased to have found in Katja Bartel such a dedicated and versatile technical manager who has excelled in numerous difficult turnaround projects. She has a great deal of expertise in various asset classes in the commercial real estate segment and is therefore a very good fit for DRIVEN Investment."

### **DRIVEN Investment GmbH**

DRIVEN Investment GmbH was founded in Berlin in December 2018. As a new player in the project development and investment segment, the company has started with a logistics portfolio across Germany, the development of the Potsdam "Think Campus" and the purchase of a site on the Überseeinsel in Bremen. Trust, transparency and openness are the pillars of the company's philosophy. Behind DRIVEN are shareholders with many years of lead experience in the real estate industry. The company's managing directors are Togrul Gönden and Horst Weis, and the managing partners are Dr. Ingo Holz, Thorsten Krauß and Ingo Weiss.
